
Disclaimer

Rhyto.com is a standalone brand and platform built to provide users with real-time synced lyrics to enjoy their favorite songs. We are not partnered, affiliated, or endorsed by any major music services such as Apple Music, Spotify, or any top lyrics websites.

Content Sourcing

All songs and lyrics are sourced via official owners' YouTube channels or other publicly available resources. We do not host or provide direct access to any music files. Engagement through our tool ultimately directs users to the original content providers.

Copyright and Ownership

Rhyto.com does not claim ownership of any lyrics, songs, or music content. All intellectual property rights belong to their respective copyright holders.

Limitation of Liability

The platform is provided “as is” without any warranty. Rhyto.com is not responsible for any errors, inaccuracies, or delays in lyrics or content. Use of the platform is at your own risk.

User Responsibility

Users agree to respect copyright laws and use the platform solely for personal, non-commercial enjoyment.

Contact

If you have any concerns or requests related to copyright or content, please contact us through our contact page.
